Clubs/Activities

High School Art Club

ldjohn@cmschools.org

Google Code: 6tv44a2

Advisor: Mrs. Sandberg-DeJohn

The art club is open to all students. Through creativity, inclusivity, and community the art club strives to be a group to use art to help us through life's challenges.

Bible Club

mgerhauser@cmschools.org

Google Code: vzh5v5vw

Advisor: Mr. Gerhauser

As a club we will grow in our faith, connect as a community, and make our school a better place. Everything we do is completely safe and will only have a positive impact on the environment established at Center Moriches High School. This club gives students common goals, allows them to forge new friendships and gives students a safe place to share their beliefs. Our virtual meetings will be a chance to connect fellow Christian students and grow in our faith together, and our bi-monthly community outreaches provide opportunities to unite the whole school for a common cause.

DECA

jmischler@cmschools.org

Google Code: doleiat

Advisor: Mr. Mischler

D.E.C.A. – Distributive Education Clubs of America – A business and marketing club that creates a remarkable experience for students in the preparation of emerging leaders and entrepreneurs. It prepares students for college and careers in business. D.E.C.A. also connects the importance of lifelong learning with success through state and international competition in 38 occupational areas. D.E.C.A. helps develop leadership and teamwork skills.

A forum for students to discuss E-Sports and join competitions. Students form their own teams, develop essential teamwork, analytical, and problem solving skills. Students can receive scholarships or prizes for their participation in tournaments and leagues.

Friends and Buddiestsigerson@cmschools.org**Google Code:** zbe3djn**Mrs. Sigerson**

Friends and Buddies club is open to ALL students! The purpose of this club is to bring students in special education classes together with typical students to help in socialization and friendship skills. We run many food drives, fundraisers and hold special events.

Future Teachersjmelandro@cmschools.org**Google Code:** 4h52d7n**Advisor: Mr. Melandro**

It is now evident, more than ever, that education will never be the same again. Educators around the country are struggling, but learning to adapt to the new standards of distant learning. We, The Center Moriches Chapter of The Future Teachers Club of American have a great opportunity to learn what it is like to teach in this new learning style. Throughout this year, the club's main goal will be to focus on the broad question of "What is it like to be an educator during a world-wide pandemic?" As a club, we will formulate lesson plans that are appropriate to the hybrid learning model while also learning how to navigate teaching through technology.

GSApmarino@cmschools.org**Google Code:** mj55qzo**Advisor: Mrs. Marino**

Gay-Straight Alliance (GSA) is a student club *open to all students* that works to improve school climate for all students, regardless of sexual orientation or gender identity/expression. The goals of the GSA are to create safe environments in schools for students to support each other and learn about homophobia, transphobia, and other oppressions as well as educate the school community about homophobia, transphobia, gender identity, and sexual orientation issues, and identify discrimination, harassment, and violence in schools. Members are welcomed ALL year long! Don't feel you can't show up at ANY point during school year

Instrumental Musicpconefry@cmschools.org**Google Code:** fbo34on**Advisor: Mr. Conefry**

The purpose of this club is to strengthen the ability and overall musicianship of individual students through both solo and instrumental chamber music performance on their instruments. We will focus on fostering the performance and appreciation of solo and chamber music on wind band instruments including woodwinds, brass and percussion.

Mindfulness and Yogakgaudio@cmschools.org**Google Code:** ik7a4yp**Advisor: Mrs. Gaudio**

The Mindfulness and Yoga club offers various "tools" to handle the daily stresses and anxieties students are facing. Students have access to a wide variety of resources through the google classroom along with google meets where we can put these "tools" into practice - guided meditations (breath meditation, distraction meditation, walking meditation, meditation on balance etc. - basic yoga postures - journaling prompts etc)
