

Camp Creativity is a fun, weekly summer program for youth in grades K-5 which offers arts & crafts, games, and outdoor play in space provided by Clayton Huey Elementary School. Campers are grouped age appropriately, and individually wrapped snacks are served. Maximum enrollment is 30 campers per session for 2022. We will have specific pick up and drop off protocol to keep campers and staff safe, and we will follow any covid guidelines advised by the state and school district.

Cost is \$140 per camper, and registration is first come first served.
