

February 2018

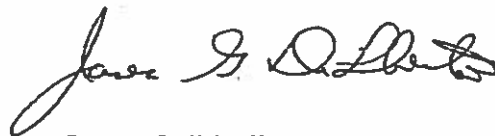

SCHOLARSHIPS ARE STILL AVAILABLE!!!

Island Drafting and Technical Institute is pleased to announce once again our Scholarship Program for High School Seniors.

For 2017/2018 each High School may select *three* students for scholarships at our college. This scholarship provides a \$2,500 award to each student, which can be applied toward the daytime session Associate Degree program in *Computer Aided Drafting and Design* or *Electronic and Computer Service Technology*. The selection of the students is to be determined by the Guidance Office of each High School. *Complete the enclosed scholarship application on the reverse side.*

If you have any questions, please do not hesitate to contact me.

Very truly yours,

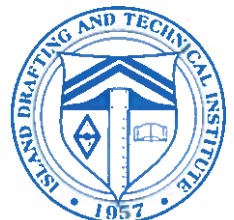

James G. Di Liberto

President

Accredited College, Accrediting Commission
of Career Schools and Colleges

ISLAND DRAFTING & TECHNICAL INSTITUTE
