Athletics*

September 12, 2018

Dear Parents/Guardians and 12th grade students:

Welcome back!

We hope you had an enjoyable summer vacation and a wonderful start to your senior year. I am sure for many of you it is hard to believe that this is your final year in the Center Moriches School District, and within a year you will be venturing down a new path towards a successful future. For many of you this means you will be starting college! The college application process can be stressful and overwhelming. We will be holding a series of events throughout your senior year to help you navigate this process successfully.

The Center Moriches High School Guidance Department will be hosting **Senior College Application Night on Thursday, September 20th at 7:00 pm** in the LGI. The high school guidance counselors will be discussing the college application process, the college essay, gathering supplemental material, etc. It will be extremely beneficial for you and your parents/guardians to attend this workshop if you plan on applying to college. In addition, **please review the attached page to stay on top of important things you should be doing in preparation for this process.**

Please keep in mind, if you are considering participating in college athletics, you must register with NCAA Clearinghouse at www.web1.ncaa. You need to print the *Transcript Release Form* from the website and bring it to the Guidance Office in order to mail an official transcript.

We look forward to seeing you on September 20th.

Respectfully yours,

Linda M. Greening
K-12 Director of Guidance,
Center Moriches School District
