

E-Cigarettes and Vaporizers: What You Need To Know!

Presented By: The Suffolk County Department of Health

Please Join Us...
Wednesday, December 6, 2017
7:00 pm in the LGI

Parents of Middle School and High School students are invited to join us for this informative presentation. Please note: This program is not intended for students. It is a parent-based program to educate our community on the current use of e-cigarettes and vaporizers in our County. If you have any questions, please call the middle school or high school main office.
